Kind reference is invited to the Legal opinion given in Diary/file 135-30.84(1-5) in the backed file which says that the State cash grant to a temple will become temple fund after payment & that the proper thing GOO is to pay the comp. acqn from general revenues & withhold the cash grant to that extent.

It is for orders if para 3 of the order below can be issued as this, or if it requires alteration

Please Consider

para 3 of the G.O under reference appears to be all right - It means that the cost of acqn is to be met out of the cash grant before it is paid over to the Muth & consequently before it becomes the Muth fund.

SIR,

In forwarding herewith declaration statements in duplicate in English and Kannada in respect of the acquisition of certain property in the village of Bosale .. .. ..in Hunsur Taluk required for the Sri Vyasaraja Mutt . . . , I have the honour to state that the preliminary notifications for the acquisition of the lands in question were published in the *Mysore Gazette* dated 27th August 1931 and objections, if any, against the acquisition of the said land were also called for as required under Sections 4 and 5 (a) of the amended Land Acquisition Regulation ..... Monday the 5th October 1931 was fixed for hearing of objections. The above facts were widely published in the village by beat of tom-tom and spare copies of the printed notifications were distributed among the concerned landholders.

2. The Sub Division officer, Hunsur who was authorised to hold the preliminary enquiry reports that one Neelakanta Rao filed an objection petition stating that his house may not be acquired as the Mutt has sufficient open space and that the acquisition is not for a public purpose etc. The objections were over-ruled by the Sub Division officer on the ground that the area now given to the mutt is not sufficient and that the acquisition of houses is necessary. It is also observed by the Sub Division officer that the house to be acquired is not a valuable one and that other persons have not raised any objection and recommends for the acquisition of the property as the objection raised by Neelakanta Rao is not valid. This aspect of the question has already been considered before the preliminary notification was published.

P.T.O.

4. In these circumstances, I request that you will be so good as to accord sanction for the publication in the Gazette, of the declaration statements submitted herewith and to authorise ~~the~~ Sub Division Officer, Nanjangud ~~(1) Special Land Acquisition Officer, Krishnarajasagara,~~ ~~(2) Special Land Acquisition and Revenue Officer, Irwin Canal, Mandya,~~ to perform the functions of a Deputy Commmissioner under the Land Acquisition Regulation and take order for the acquisition of the lands in question.

5. Twenty-~~five~~ copies of the printed Kannada declaration statements may, it is requested, be kindly arranged to be supplied to ~~(1) The Special Land Acquisition Officer, Krishnarajasagara~~ (2) the Sub. Division. Officer, Nanjangud..... from the Compiler, *Mysore Gazette*.

I have the honor to be
Sir,
Your most obedient servant,
